City of Rohnert Park

City of Rohnert Park – Sales Tax Update

During the June 8, 2010, election, voters of the City of Rohnert Park approved a temporary one-half percent retail transactions and use tax. The sales tax rate in Rohnert Park will increase to 9.5% beginning October 1, 2010, for a five-year period. It is estimated that the tax will generate between $2.4 and $2.8 million in annual local revenue. The additional revenue will be used to maintain general services, including essential services such as neighborhood police patrols, fire protection, 9-1-1 emergency response, gang and sex offender enforcement, disaster preparedness, street paving and pothole repair, park maintenance, and other essential services.

A transactions tax is imposed upon all retailers in the incorporated territory of the City of Rohnert Park at the rate of .5% of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in said territory on and after October 1, 2010.

An excise tax is imposed on the storage, use or other consumption in the City of Rohnert Park of tangible personal property purchased from any retailer on and after October 1, 2010, for storage, use or other consumption in said territory at the rate of .5% of the sales price of the property. The sales price shall include delivery charges when such charges are subject to state sales or use tax regardless of the place to which delivery is made.

If you are a Seller or a Purchaser and need information about this new tax, contact the California State Board of Equalization, Local Revenue Allocation Unit, at (916) 324-3000.
