General Information

This REQUEST FOR REFUND FORM is used for permit cancellation and/or to request a refund for fees paid to the City of Rohnert Park Building Department. Withdrawal of a Permit Application must be completed before requesting a refund.

The Building Division may schedule an inspection of the property to verify that previously permitted work was not completed.

Refunds are subject to the following:

- A. A request for refund must be made in writing to the Building Official within one hundred eighty (180) days of the date fees were paid. **A refund shall not be made to any requests submitted after one hundred eighty (180) days of the date fees were paid.**
- B. One hundred per cent (100%) of a fee erroneously paid or collected may be refunded.
- C. Ninety percent (90%) of the plan review fee may be refunded when an application for a permit for which a plan review fee has been paid is withdrawn, cancelled, expires or becomes void before any plan review effort has been expended. No portion of the plan review fee shall be refunded when any plan review effort has been performed.
- D. Ninety percent (90%) of the building, plumbing, electrical, and/or mechanical permit fee may be refunded when a permit for which some or all of these permit fees have been paid is withdrawn or cancelled before any work permitted has been initiated. No portion of these fees shall be refunded when any work was done and/or any inspections have been performed.
- E. The Building Official may authorize the refund of all or part of a fee in order to correct an error by the department. The details of such a refund shall be retained in the project file.
- F. **Pass through fees are fees collected on behalf of the State and cannot be refunded by the City of Rohnert Park. You may contact the state agencies directly to request applicable refund.**
