## **Regional Stay At Home Order Lifted**

Today, officials with the California Department of Public Health (CDPH) ended the Regional Stay at Home Order, lifting the order for all regions statewide, including the three regions that had still been under the order – San Joaquin Valley, Bay Area and Southern California. Services and activities, such as outdoor dining and personal services, may resume immediately with required modifications, subject to any additional restrictions required by local jurisdictions. Despite the order being lifted, Sonoma County remains in the purple tier. Learn more at the following websites:
