

## INVITATION FOR SEALED BIDS

### Commerce Blvd. Water Line Replacement Project PROJECT NO. 2019-29

Notice is hereby given that on Monday, April 5, 2021, at 10:00 AM at 130 Avram Avenue, Rohnert Park, California, the City of Rohnert Park will receive and open sealed bids for the Commerce Blvd. Water Line Replacement Project, Project No. 2019-29. Bids must be received by Development Services before 10:00AM on April 5, 2021, based on the Official Bid Clock displayed in the area where bids are submitted on the Second Floor of City Hall. The work is described generally as replacement of water mains including new valves, fire hydrants, water services, trench paving, minor concrete, traffic striping and pavement markings. The Contractor must have a valid California contractor's license, a Class A license. The Engineer's estimate for this project is \$949,377.

Under California Labor Code section 1770 et seq., copies of the determination of the Director of the Department of Industrial Relations of the general prevailing rate of per diem wages for each craft, classification and type of workman needed to execute the work are on file in and available to any interested person on request at the Department of Public Works, or on the Internet at <http://www.dir.ca.gov/dlsr/PWD/index.htm>, and are incorporated herein. (Labor Code § 1773.2.) Prevailing wage determinations must also be posted at each job site.

SB 854 (Stat. 2014, Chapter 28) establishes that no contractor or subcontractor may be listed on a bid proposal for a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)]. No contractor or subcontractor may be awarded a contract for public work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations. All contractors and subcontractors must furnish electronic certified payroll records directly to the Labor Commissioner (aka Division of Labor Standards Enforcement). The prime contractor must also post job site notices prescribed by regulation.

Per California Civil Code Section 9550, a payment bond in the amount of 100% of the bid total will be required from the successful bidder for bids exceeding \$5,000. The bond must be provided within ten (10) calendar days from notice of award and prior to the performance of any work.

A performance bond and bid bond must also be provided for bids exceeding \$5,000.

For any moneys earned by the Contractor and withheld by the City of Rohnert Park to ensure the performance of the contract, the Contractor may, at its request and sole expense, substitute certain securities equivalent to the amount withheld in the form and manner and subject to the terms and conditions provided in the California Public Contracts Code Section 22300.

This notice incorporates by reference the terms, conditions and requirements of the specifications approved by the City, any and all changes or amendments to the specifications and special instructions or special notice issued to or given to prospective bidders.

The City of Rohnert Park makes no representation or warranty of the condition of the jobsite. All prospective bidders are requested to carefully review the plans and specifications and to examine and conduct tests or otherwise satisfy themselves as to the conditions at the project site, subject to coordination with the office of the Rohnert Park City Engineer.

Bids will be publicly opened, examined and declared on said day and hour and referred to and considered by the City Council at a future City Council meeting. Each bid must be submitted on the bid forms

furnished by the City, and each bid must include all the items shown on these forms. Substitute forms may be used if specified in this Notice.

**In addition to submitting the forms above, each bid must include statements of qualification on company letterhead for installation of C900 PVC and Ductile Iron Pipe experience.**

**Furnish the following Qualifications submitted with the bid:**

**1. Water Main Installation:**

- a. Submit company history stating years in service, including a minimum of five (5) projects within the past five (5) years in the installation of C900 PVC and Ductile Iron Pipe water main and appurtenances, chlorination of the water main, water services, and fire hydrant laterals and assemblies, under the Contractor's license.**
- b. Projects submitted should be similar in size and nature (1,000 LF of 8-inch to 12-inch water main for domestic drinking water facilities in the State of California) that your company or subcontractor's company has completed.**

A copy of the drawings and specifications may be obtained from Draftech for a non-refundable fee. Draftech Blueprinting is located at 1544 Terrace Way, Santa Rosa, CA 95404, phone number 707-578-9442. The planholders list and all addendums shall be issued either through the City or through Draftech. In order to ensure receipt of addendums, any party interested in the project shall place their information with Draftech. For questions relating to the project, please contact the engineering line at 707-588-2232 or [engineering@rpcity.org](mailto:engineering@rpcity.org).
